

Since Eve ripped the first leaf from a tree into the Garden, insecurities have plagued the female gender. Today's women - young and old, churched and unchurched, rich and poor - are suffering from such deeply embedded wounds that most don't even know how to identify them, and beyond that they can't imagine living without them.

Long Hill Chapel's Women's Ministries is excited to host this event, as Beth Moore comes to women across North America live via satellite with a new message that will set us free from our insecurities! We encourage you to bring your Bible, a notebook and pen for jotting down truths as Beth brings a transforming message to women. We hope you will invite your mom, sisters and girlfriends to join you as you attend this life changing event.
